Minutes from Domain meeting 5/2/2015

The Meeting consisted of talking about potential game locations for the summer, fundraising ideas, local charities to work with, and how to recruit more members into the domain as there is a large need for it. There was talk about getting our name out in the community to try to spark interest.

Game location, incase the local library annex or Timber Creek became unavailable, brainstorming lead to the discussion of having games at the local park from 2-8pm, finding a room to reserve at the local university library, a local church annex, and Deerfield Park.

Charities that were brainstormed included: Special Olympics, hosting a blood drive, pop can drive, and food drive to help get the group's name out in the community.

Fundraising brainstorming ideas to raise money for the domain included: silent auction game items, standing donation bin, yard sale, cans for Cam, a royal rumble tournament, shadow run game, table top fundraising,

Recruitment ideas included the following: Putting flyers up Monday on campus for maximum exposure and at Frozen Orc, Kaya coffee house, and other college towns nearby; word of mouth is a big recruitment drawer; look to get a spot on the radio, go to festivals around the area and Alma anime con. Overall, there is a great need to recruit college students into the organization.
